

## **FRVTA BOARD DECIDES TO CANCEL INDUSTRY DAY AT SUPERSHOW 5 PUBLIC DAYS STILL A GO!**

The Florida RV Trade Association (FRVTA) Board of Directors voted to cancel Industry Day at the 2021 Florida RV SuperShow scheduled for next month. The 5 public days of the show will still take place Wednesday, January 13<sup>th</sup> through Sunday, January 17<sup>th</sup> at the Florida State Fairgrounds in Tampa.

"We've had a number of exhibitors request extra time to set up," said FRVTA Show Director Lesa Colvin. "Plus the extra day will give us more time to get ready for the 5 public days. We will be instituting a lot of new measures to make sure the show is a clean and safe environment for the public as well as our exhibitors".

Holding the show with COVID-19 prompted some changes for this year's show. Temperature checks will be done on all exhibitors and attendees. Masks will be required inside the buildings and RVs (Hillsborough County Mandate). Sanitizer and wash stations will be located throughout the show. Social distancing will be enforced and both supplier buildings and RVs will be sanitized nightly and cleaned on a regular basis during the show.

Dave Kelly, FRVTA Executive Director said it was a tough decision to cancel Industry Day but the Board did what they thought was the right thing. "I hope everyone can understand this is not a typical year, we are concentrating all of our efforts into holding the most successful public show we can. Any extra time we can have to make sure we are ready to welcome the public is appreciated this year".
